By G. A. LYNCH, *Administrative Officer.*

Approval recommended:

JOSEPH F. BATTLE,

Acting Division Administrator.

WASHINGTON, D. C.,

October 8, 1934.

REPORT TO THE PRESIDENT

The PRESIDENT,

The White House.

SIR: This is a report on two amendments to the Code of Fair Competition for the Set Up Paper Box Manufacturing Industry which was approved by you December 18, 1933.

Under the provisions of Article II Section 5, as amended, the Code Authority will be empowered to submit a budget and basis of assessment and contribution to code administration expense will be compulsory.

The amendment to Article VI Section 5 will remove ambiguity of this section.

The Deputy Administrator in his final report on said amendments of said Code having found as herein set forth and on the basis of all the proceedings in this matter:

It is found that:

(a) The amendments of said Code and the Code as amended are well designed to promote the policies and purposes of Title I of the National Industrial Recovery Act including the removal of obstructions to the free flow of interstate and foreign commerce which tend to diminish the amount thereof, and will provide for the general welfare by promoting the organization of industry for the purpose of cooperative action of labor and management under adequate governmental sanction and supervision, by eliminating unfair competitive practices, by promoting the fullest possible utilization of the present productive capacity of industries, by avoiding undue restriction of production (except as may be temporarily required), by increasing the consumption of industrial and agricultural products through increasing purchasing power, by reducing and relieving unemployment, by improving standards of labor, and by otherwise rehabilitating industry.

(b) The Code as modified complies in all respects with the pertinent provisions of said Title of said Act, including without limitation sub-section (a) of Section 3, sub-section (a) of Section 7 and sub-section (b) of Section 10 thereof.

(c) The Code empowers the Code Authority to propose the amendments on behalf of the Industry as a whole.

(d) The amendments and the Code as amended are not designed to and will not permit monopolies or monopolistic practices.

(e) The amendments and the Code as amended are not designed to and will not eliminate or oppress small enterprises and will not operate to discriminate against them.

(f) Those engaged in other steps of the economic process have not been deprived of the right to be heard prior to approval of said amendments.

For these reasons these amendments have been approved.

Respectfully,

NATIONAL INDUSTRIAL RECOVERY BOARD,
By G. A. LYNCH, *Administrative Officer*.

OCTOBER 8, 1934.

AMENDMENT TO CODE OF FAIR COMPETITION FOR THE SET UP PAPER BOX MANUFACTURING INDUSTRY

The Code of Fair Competition for the Set Up Paper Box Manufacturing Industry is hereby amended as follows:

1. By eliminating Section 5 of Article II and substituting therefor the following:

5. It being found necessary in order to support the administration of this Code and to maintain standards of fair competition established hereunder and to effectuate the policy of the Act, the Code Authority, by itself and through its regional or local agencies, is authorized:

(a) To incur such reasonable obligations as are necessary and proper for the foregoing purposes, and to meet such obligations out of funds which may be raised as hereinafter provided, and which shall be held in trust for the purposes of this Code;

(b) To submit to the National Industrial Recovery Board for its approval, subject to such notice and opportunity to be heard as it may deem necessary (1) an itemized budget, for itself and such of its agencies as it may designate, of the estimated expenses of the Code Authority and its said agencies and (2) an equitable basis upon which the funds necessary to support such budget shall be contributed by members of the Industry;

(c) After such budget and basis of contribution shall have been approved by the National Industrial Recovery Board, to determine and obtain equitable contribution as above set forth by all members of the Industry, and to that end, if necessary, to institute legal proceedings therefor in its own name;

(d) Each member of the Industry shall pay his or its equitable contribution to the expense of the maintenance of the Code Authority and of the maintenance of such regional or local agencies, included in the budget of the Code Authority, determined as hereinabove provided, and subject to rules and regulations pertaining thereto issued by the National Industrial Recovery Board. Only members of the Industry complying with the Code and contributing to the expense of its administration as hereinabove provided (unless duly exempted from making such contribution), shall be entitled to participate in the selection of members of the Code Authority, or to receive the benefits of any of its voluntary activities or to make use of any emblem or insignia of the National Recovery Administration.

(e) Neither the Code Authority nor any regional or local agency thereof shall incur or pay any obligation substantially in excess of the amount thereof as estimated in its approved budget, and shall in no event exceed the total amount contained in the approved budget,

except upon approval of the National Industrial Recovery Board; and no subsequent budget shall contain any deficiency item for expenditures in excess of prior budget estimates except those which the National Industrial Recovery Board shall have so approved.

2. By striking out the words 'but not both' in Article VI, Section 5 of said Code.
